

Jesus is ready to bless me,  
His arms are open wide.  
Oh, Mommy and Daddy  
please take me,  
I want to be by His side.

His eyes are full of kindness,  
I'm not afraid of Him.  
He seems to understand me,  
And know who I really am.

His hands have worked  
mighty miracles,  
But with me they are gentle  
and kind.  
With love they touch and  
bless me,  
And the goodness of God I  
find.
