The Seal

Seals like to make a lot of noise! They are small animals, but everyone hears them. We can hear them on the beach or at the zoo.
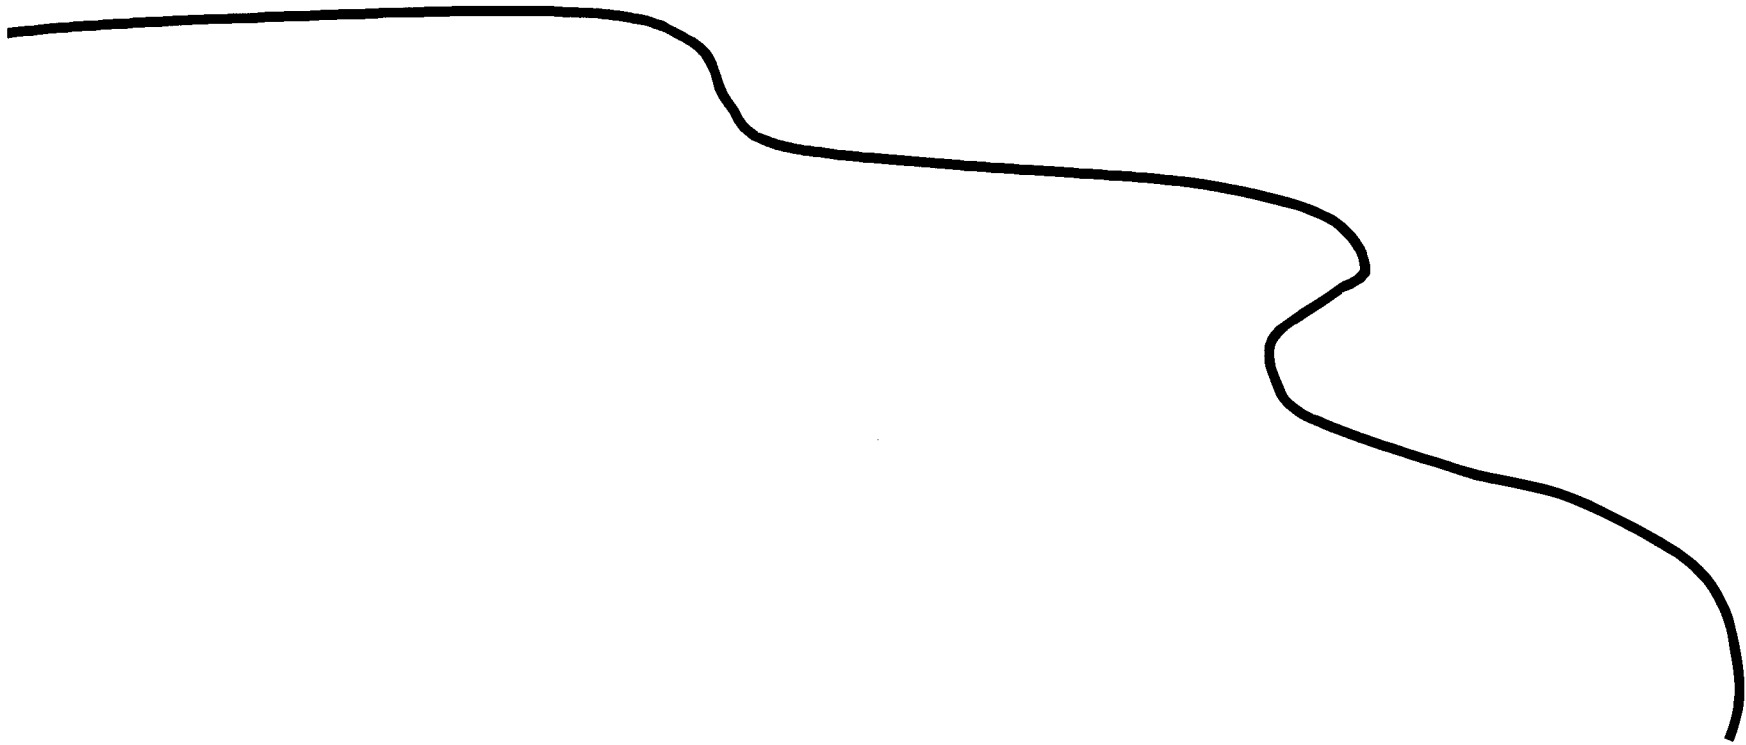

A little girl knew that the God of Israel could heal Naaman. Naaman and his wife listened to her. He was healed of leprosy.

You may be small, but someone will listen if you speak up. You can tell others that Jesus wants to heal them. Jesus will heal anyone who trusts Him.

Copy this page with "Seals" onto brown paper. Copy the page with the "Shore" onto blue paper. Cut out "Seals." Have children glue a "Seal" onto "Shore." Note: As a fun option, you may use the seal shape as a pattern and cut the seals out of brown fur material.

Speak up and tell others that
Jesus wants to heal them

Who Told Naaman?

Can you tell me . . . who told Naaman that he could be healed of leprosy? *Pause briefly.* A little girl told Naaman.

Can you tell me . . . did Naaman listen to the little girl? *Pause briefly.* Yes, he did.

Can you tell me . . . was Naaman healed of leprosy? *Pause briefly.* Yes, he was.

...you shall be
witnesses to Me...
Acts 1:8 NKJV

Naaman is Healed

Preparation:
Bring to class a colorful towel and a cloth strip long enough to tie around your head. First, place the towel over your head. Next, tie the cloth strip around the towel as a headband.

What to Tell Them:
I am going to pretend to be Naaman. Can you pretend with me? *Speak the following with a man's voice.*

I am not sure that I want to go down to that Jordan River. How can I be healed by getting into it seven times? But, my servants and friends think I should. I'm going to do what Elisha told me to do. I will find out if there truly is a mighty God in Israel.

Here, I go into the water. *Pretend to dip down into the water seven times.* Once, twice, three times. Four, five, six times, now here comes the seventh time. Look at me. I am healed!

I am glad that I listened to the little girl. She knew that the God of Israel would heal me.
